For this reason, we have redefined the "lifetime" of all Bodnik Bows and have implemented a guarantee that is fitting for bows such as these that meet our high standards.

Here is how our legendary 30-year Bodnik Bows guarantee came to be.

No matter how careful you are with the selection of your materials and the actual construction of traditional bows, we have to accept that when you're working with natural materials and when there are so many complex steps in the manufacturing process, sometimes a bow can have problems.

For that reason we offer a unique, comprehensive yet uncomplicated guarantee for all Bodnik Bows! With this iron clad guarantee, Bodnik Bows is setting a new standard worldwide.

The Bodnik Bows 30-Year Guarantee is the only one of its kind in the world and has made Bodnik Bows famous for offering such a generous guarantee!
